PACKAGING QUANTITIES

50 screws per strip, 1,000 screws per box, 6 boxes per master carton

AUTOFEED TOOL

AutoFeed System Kit includes 1 PAMFast AutoFeed System, professional storage case, Allen Key Set, Phillips and PAMDrive bits

DESCRIPTION

The PAMFast AutoFeed Screw System is engineered to be smooth, fast, and easy for the Professional Contractor. Its simple but rugged design is built to last and delivers smooth, consistent screw driving every time.

INSTALLATION PROCEDURE

Set nose piece for length, runs 3/4"- 3" screws. Set countersink adjustment, precise 1/64" adjustment. Ball bearings locks in place throughout job. Insert Driver Bit. PAMDrive designed for superior engagement and extended life. Single piece bit drives thousands of screws before needing replacement.
